

# Gulf South BMW Owners Club, Inc.

## “Ride Louisiana Challenge”

We are offering all club members the opportunity to experience the beauty of our home state by visiting every parish seat of government on their European brand motorcycle. With 64-parishes listed that will be 64-diverse and interesting destinations to point your motorcycle to over a 12-month period. That will allow ample time to plan and execute safe and interesting rides with visits not only to the parish seats but also to other attractions both enroute and at the destination. Entrants will be allowed to register as solo or two-up with recognition issued according to the finish results.

### Rules and requirements:

1. Registration using the attached form is \$5 per rider and \$5 per passenger
2. Documented visits to all parish seats must be completed in 12-calendar months
3. The club will issue a distinct numbered towel that must be used in every photo (digital or printed) taken at each parish seat, to include:
  - a. **The registered European brand motorcycle**
  - b. **The numbered towel(s)**
    - i. Riders and passengers will be issued a towel
    - ii. Lost towels will require a \$5 replacement towel
  - c. **Photos must be taken at the parish seat courthouse, post office or police headquarters with clear city name identification visible and the date must be posted on the parish listing provided by the club**
4. Upon completion of the requirements a certificate will be issued to the participants in recognition of their accomplishment
  - a. All calendar year participants that complete the “Ride Louisiana Challenge” will be entered in a drawing to win a set of Michelin or Metzler tires installed at BMW of Baton Rouge
5. The “Ride Louisiana Challenge” will be coordinated in all aspects by two club members appointed by the President on a calendar year basis.
